ADMINISTRATIVE RULES

Administrative Rule 99-1

March 29, 1999 President's Staff

Rationale: The phone mail system could become cluttered with non-college business if the system is used to promote non-college business and functions.

Ruling: College-wide phone mail distribution will be limited to high priority college-related business and functions, and should exclude any messages from the outside world such as the promotion of services and goods.

Charles H. Bohlen, Ph.D.
President
